

South West London Breast Screening Service

COVID-19 Doesn't Stop Breast Cancer. Early Detection Saves Lives.

Breast Screening - A free service for all women aged over 50

- ◆ Women aged 50 up to their 71st birthday will sent an open invitation. Please then call us to make an appointment.
- ◆ You will receive your first invitation by your 53rd birthday.
- ◆ If you have any breast symptoms don't wait for a letter but see your GP now.
- ◆ All necessary precautions are being taken to make breast screening as 'COVID-19 safe' as possible.

Breast Screening will be available at

The Rose Centre, Tooting,
Queen Mary's Roehampton,
Robin Hood Health Centre, Sutton
Edridge Road Health Centre, Croydon
Teddington Memorial Hospital ,
Purley War Memorial Hospital
Surbiton Health Centre
